Fall 2020 at ODS:  
What you need to know

**General Information**

Beginning 8/17/20 ODS will maintain regular hours: Monday through Friday from 8am - 4:45pm, closed daily from 12pm - 1pm

Your accommodations will continue, although some accommodations may apply differently in online settings. You still need to communicate with instructors but may do so virtually.

Social distancing will be maintained in the ODS lobby. Face coverings are required to enter ODS.

Have questions? Need assistance? Drop in to our confidential Zoom room. Zoom Meeting ID: 972 717 6779  Passcode: ODS20

All appointments will take place via Zoom. Staff will not accept walk-in or face-to-face meetings.

You can locate your Accommodations Specialist in the ODS Online Portal and send an email for additional assistance.

**ODS Testing Center**

- Schedule exams as usual in the ODS Online Portal.
- Doors to the testing center will remain locked at all times. Face coverings are required to enter the testing center.
- The testing center will operate at a reduced capacity, and will close daily at 4:45pm (no evening exams).
- The testing center will only proctor exams for classes that meet face-to-face.
- Call 205-348-2716 when you are ready to check-in for your exam. Please wait outside of Houser Hall. Do not linger in the atrium lobby.
- When your exam is ready, you will be notified and may enter the testing center and proceed straight to your testing room.
- Lockers will not be used, so please leave belongings at home or be prepared to take them into the testing room.
- Cell phones must be stored outside the testing rooms.
- Vending machines will not be available.
- Pay attention to directional signage for social distancing.

**What to expect in class**

- Pick your seat! Assigned seats are necessary for contact tracing, so pick a seat that meets your needs.
- Use sanitation wipes to wipe down your seat and desk each day.
- Most classes will provide lecture recordings.
- Face coverings are required.
- Maintain 6 feet from others.
